

I am Ahmed Ali, and I have successfully completed my Bachelor of Science in Computer Science (BSCS) degree from FAST-NUCES. I had the privilege of undertaking a rigorous 6-week internship as a Database Intern, working under the expert guidance of Mr. Naveed Islam.

Throughout this internship, I had the opportunity to contribute to a real-world database project. This hands-on experience has not only enriched my knowledge but also provided me with valuable insights into the practical application of database management.
